INVESTMENT OBJECTIVES

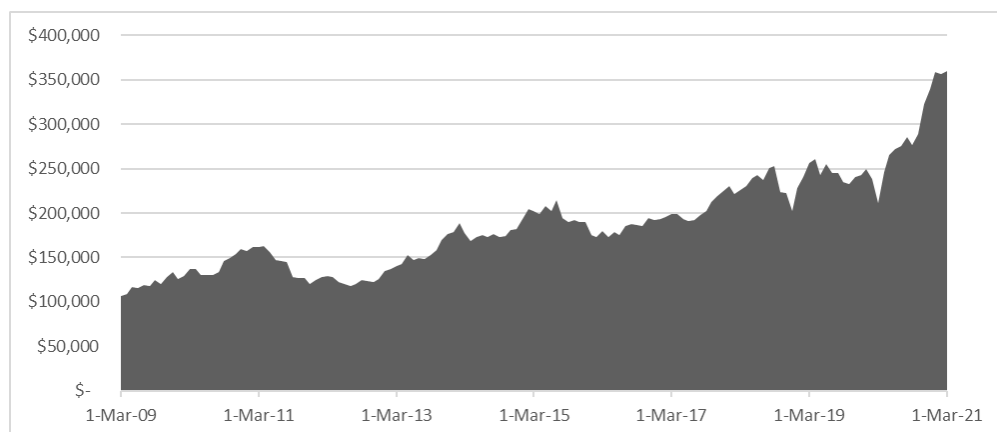

The portfolio is managed through the systematic application of relative strength (RS). It is a tactical strategy which rotates into areas of strong RS, and can hold cash as it is unconstrained by conventional benchmark weightings.

Gross growth of \$100,000 invested since March 1, 2009

Performance returns are as of March 31 2021 and are based on an actual representative account. Please note that past performance is not necessarily an indicator of future performance. The indicated rates of return are [gross/net] of fees and/or commissions. Individual results of client portfolios may differ from that of the representative portfolio as fees may differ, and performance of specific accounts is based on specific account investiture. The noted representative portfolio may not be appropriate for all investors. Richardson Wealth Limited, Member Canadian Investor Protection Fund.
